Valid Period 2025-02-28

UnionPay Mobile Enable Now >

BALANCE		SERVICE
 USD		10.75
 EUR		0.00
 GBP		0.00

#### 4.5. Card Service

The screenshot displays the 'Card' service interface in the Paywiser app. At the top, there is a navigation bar with a back arrow, the title 'Card', and the word 'Transaction'. Below this is a card image for a 'paywiser PREPAID' card with the number '623305\*\*\*\*\*5110' and the UnionPay logo. Underneath the card image are three input fields: 'Card Number', 'Valid Period', and 'UnionPay Mobile'. At the bottom of the card image area, there are two tabs: 'BALANCE' and 'SERVICE'. The 'SERVICE' tab is highlighted with a red oval. Below the tabs is a list of service options, each with a right-pointing arrow icon circled in red:

- Change Card PIN
- Reset Card PIN
- Self-Lock Card
- Write off the Card

To the right of the app interface, there are five lines of text, each followed by a horizontal line:

- Please select "Service"
- Select Change Card PIN
- Select Reset Card PIN
- Select Self-Lock Card
- Select Write off the Card

#### 4.5.1. Change Card PIN

← **Change Card PIN**

Existing PIN

New PIN

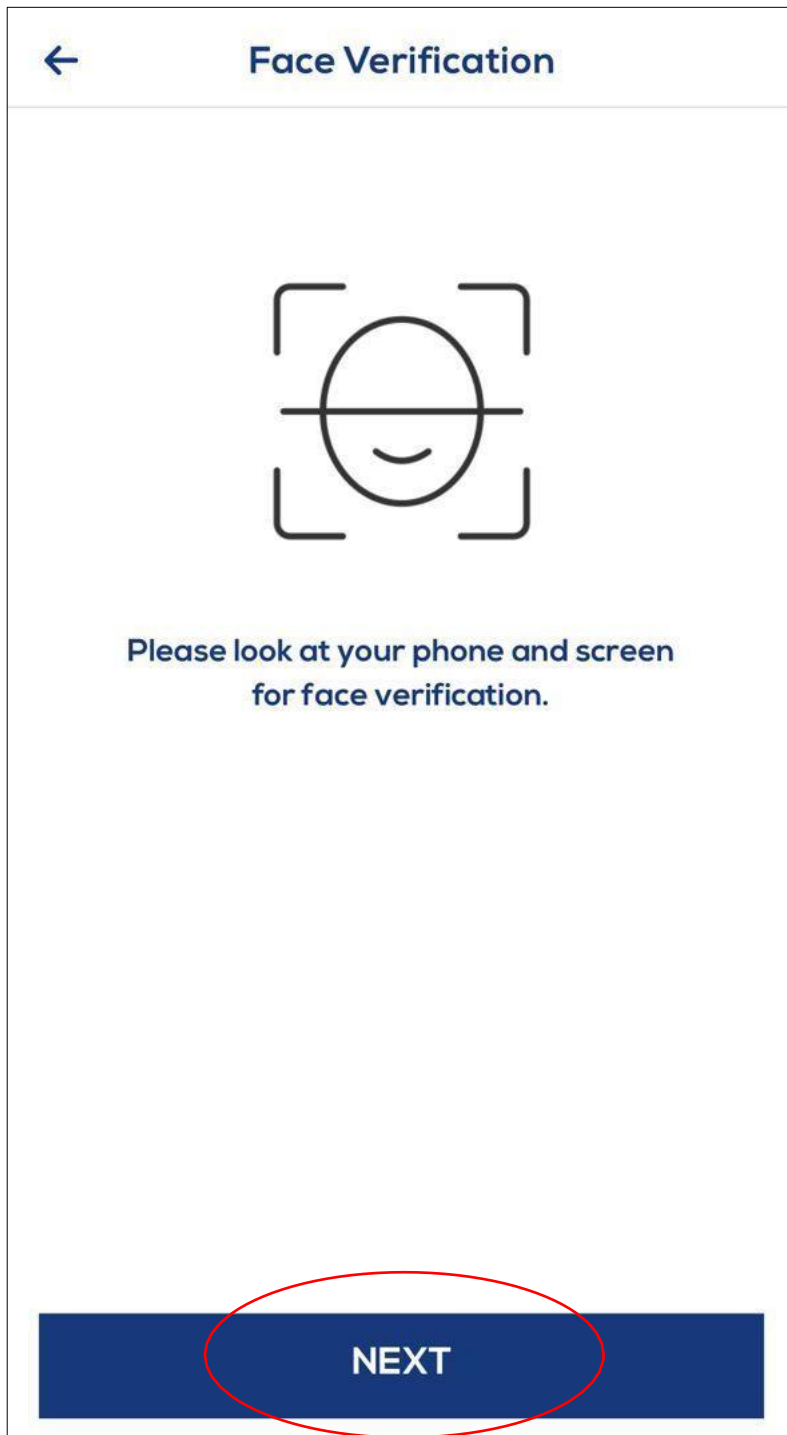

Please Confirm New PIN

**CONFIRM**

Enter existing PIN, new PIN and confirm new PIN, then click "CONFIRM"

---

#### 4.5.2. Reset Card PIN

Click "NEXT" and scan face  
for verification.

---

← **Reset Card PIN**

New PIN

Please Confirm New PIN

**CONFIRM**

Enter New PIN and  
Confirm New PIN then  
click "CONFIRM"

---

### 4.5.3. Self-Lock & Unlock Card

← **Self-Lock Card**

**Reason for card locking**

Please enter the reason for self-locking your card. Once the card is locked, you will not be able to use it. You have the option to unlock the card yourself or contact customer service for assistance.

**NEXT**

Enter the reason for card locking then click “NEXT”

---

**Please be noted:** After entering the card locking reason and password, the card will be locked and unusable. You can unlock the card yourself or contact customer service for assistance.

---

× **Security Password**

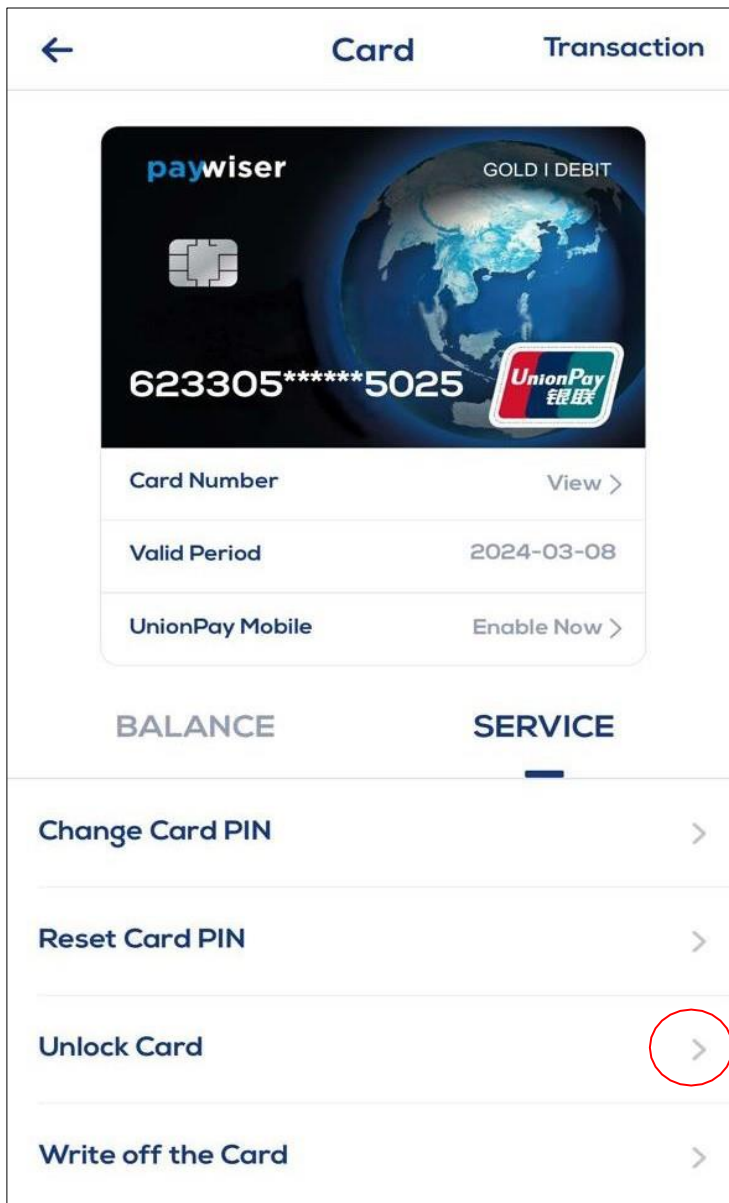

Please Enter Security Password

[Forget Password?](#)

**CONFIRM**

Enter security password then click “CONFIRM”

---

Select Unlock Card

---

Enter security password  
then click "DONE"

---

#### 4.5.4. Write off the Card

← Write off the Card

Reason for card cancellation

Please enter the reason for cancellation. Your card will become invalid once it's cancelled. If you have any questions, please contact customer service staff.

NEXT

Enter the reason for card cancellation then click "NEXT"

---

**Please be noted:** After entering the cancellation reason and password, the card will be cancelled and cannot be used again

---

× Security Password

Please Enter Security Password

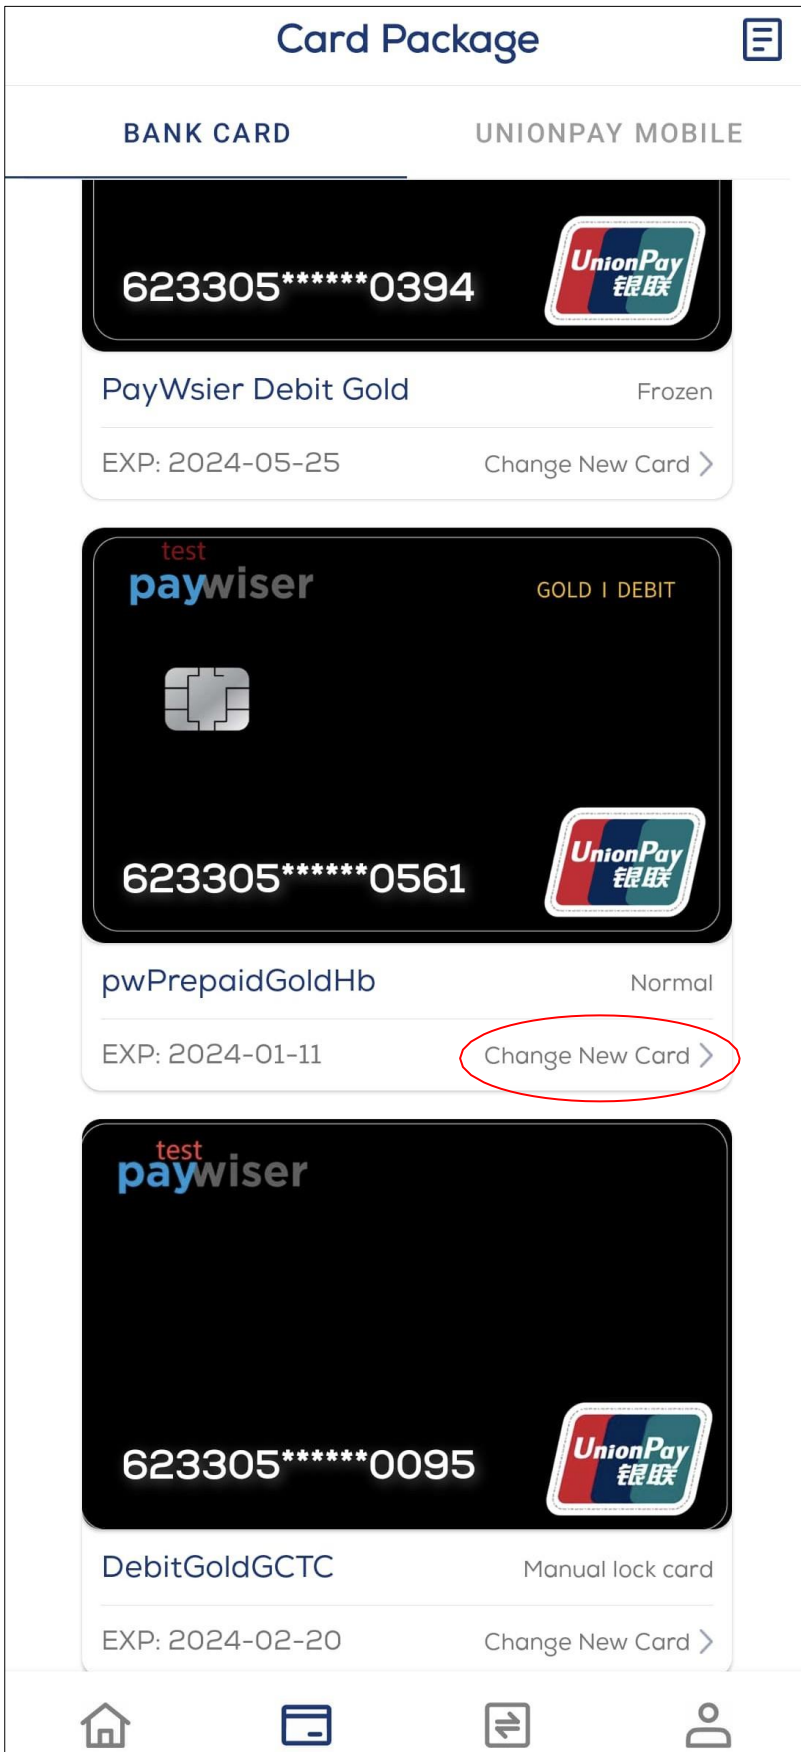

Forget Password?

CONFIRM

Enter security password then click "CONFIRM"

---

#### 4.6. Change New Card

Select "Change New Card"

← **Change New Card**

Use the original card number

Card Number  
623305\*\*\*\*\*0561

New card CVN

The 3-digit number on the back of the bank card

Note: Please ensure that your card balance is not negative. After successful binding, the balance will be automatically transferred to the new card.

**CONFIRM**

1. Select use the original/new card number
2. Enter card number and new card CVN
3. Click "CONFIRM"

Use the original card number

Use the new card number

**Please be noted:** Please ensure that your card balance is not negative. After successful binding, the balance will be automatically transferred to the new card
